SUBJECT	AUTUMN 1	AUTUMN 2	SPRING 1	SPRING 2	SUMMER 1	SUMMER 2
Geography	Our Wonderful World In this project children are introduced to the countries and capital cities of the United Kingdom. The children carry out simple fieldwork to find out about local physical and human features. As they investigate the school grounds, they use and draw simple maps.		Bright Lights, Big City In this project children learn about Newcastle and compare it to our town (Birtley). They explore landmarks and use simple directional and positional language.		Weather In this project children will explore seasonal and daily weather patterns and recall the names of months and seasons.	
History	What was it like for our Grandparents to be a child in the 1950's? Childhood Looks at everyday life and families today, including comparisons with childhood in the 1950s.				What was it like to go to school in the Victorian era? School Days Looks at comparing schooling in the Victorian era to their own experiences of school today.	
Art & Design	Funny Faces and Fabulous Features - drawing and collage focus - Picasso		Mix It - painting focus		Street View - 3D focus American artist study - James Rizzi	

Design Technology	Vehicle Velocity! Children investigate fixed or rotating axels, design and make their own toy car.		Sturdy Structures, Strong Bonds Children investigate structures and ways to join and strengthen materials. Then, they construct a garage for the toy car created in Autumn.		Chop, Slice and Blend! Which flavour smoothie will be Akeyo's favourite? Children practise chopping and slicing fruits and vegetables and learn to combine different flavours using a blender to create a smoothie.	
Religious Education	Christianity: What is a Christian?	Christmas day: Gifts and giving	Christianity: The Bible	Easter day: What is the Easter story? How do Easter Gardens tell the Easter story?	Judaism: What is a Jew?	Recap and reflect on a topic that may need more time on.
Music	Hey You Hip-hop music style focus		In the Groove Introduces the children to a variety of styles of music all based around the lyrics 'in the groove'		Your Imagination With a focus on songs about using your imagination	
Physical Education	Gymnastics Learn how to hold a balance and travelling in a range of ways	Multi Skills Learn basic throwing and catching skills	Dance Learn how to repeat simple sequenced movements to a stimulus	Multi skills Learn how to develop partner work	Multi skills Learn basic bat and ball skills	Athletics Learn how to run at speed, learn to jump a distance & throw
Science	Can you describe the weather? Can you name the four seasons? Can you describe the difference between the seasons?		Can you name everyday materials? What are the properties of everyday materials? Can you compare the properties of materials? Which materials would be best and why?		What are the parts of our bodies? What are our senses? Are there various kinds of animals? Do animals feed in different ways?	What are the parts of a plant? Can you name several types of plant? How do trees survive the winter? Where can I find plants? Where can plants live?
Computing	Self-Image and Identity Exploring Purple Mash	Online Bullying Online Relationships Pictograms	Online Reputation Managing Information Online Maze Explorers	Health, Wellbeing and Lifestyle Animated Stories	Privacy and Security Computer Science: Coding	Copyright and Ownership Technology Outside of School
	Relationships		Living in the Wider World		Health & Wellbeing	

Personal, Social, Health & Relationships Education (PSHRE)	Families & Friendships	Safe Relationships	Respecting ourselves & others	Belonging to a community	Media Literacy & Digital Resilience	Money & Work	Physical Health & Mental Wellbeing	Growing & changing	Keeping safe
	Roles of different people, families: feeling cared for	Recognising privacy: staying safe, seeking permission	How behaviour affects others: being polite and respectful	What rules are: caring for other's needs, looking after the environment	Using the internet and digital devices, communicating online	Strengths and interests: jobs in the community	Keeping healthy: food and exercise, hygiene routines, sun safety	Recognising what makes them unique and special: feelings - managing when things go wrong	How rules and age restrictions help us: keeping safe online
