Dear Families

Welcome back

It has been another great start to the new school year and we have been delighted to welcome our Reception new starters to school for their first few days. I know this will be the start of an exciting and rewarding seven year journey for your child at Ravensworth Terrace Primary School. I'd like to commend the whole school on the great start to the school year. It was lovely to have our first celebration assembly this morning and some children will be coming home with certificates for '*Achievement*' or for '*Character*'. The school hall full of smiling children is a special place to be.

Curriculum Evenings & Family Consultation Sessions

We are in the process of firming up dates for the term so please look out for a '*Dates for Families*' letter next week. In the meantime, I'm writing to inform you that we will be holding Curriculum Evenings for families in the week beginning 22.9.25.

The purpose of this meeting will be to give you an opportunity to meet your child's teacher and give you an overview of what your child will be taught and how your child will be taught and, for clarity, this curriculum evening **will not** be an opportunity to discuss your child's progress. Family Consultation Sessions will be held later in the term in the week beginning 20.10.25 when you will get a chance to discuss your child.

As with last year, we will offer two opportunities to attend the Curriculum Evening, one straight after school and one at 5:00pm. Staff will be available in the hall to provide child care. To try and give as many people as possible the chance to attend, we will be holding Key Stage Two evenings on Monday 22nd September and Reception and Key Stage One sessions on one Tuesday 23rd September. We will provide a hard copy of the yearly overview which will also be sent via e-mail along with a copy of the presentation. Further details will be sent out in the '*Dates for Families*' letter next week.

Friends of Ravensworth Terrace - FORT

At last year's Curriculum Evenings, families had the opportunity to buy a tea or coffee and this is something that we would love to be able to provide again. In order to do so, we would like some support from FORT, our Parent Teacher Association. We were really grateful for the parents who volunteered last year and we are looking to hold a meeting in the next few weeks to welcome back those volunteers as well as any new volunteers.

This is a warm invitation to all families and especially so our new Reception families. In that meeting a number of activities will be planned to help enhance opportunities for our children as well as way to generate some much needed income with which we can enrich our school provision. A vibrant and
