80TH ANNIVERSARY

A SHARED MOMENT OF CELEBRATION

This week children across school have been exploring VE day, commemorating 80 years since the end of the Second World War in Europe. We have talked about that conflict and the sacrifices that were made by that generation to ensure our freedom and our individual liberty. We have thought about how grateful we should be and how that helps understand why we also mark Remembrance Day every November. We imagined the joy that was felt by that generation felt as hostilities stopped. We showed our respect and gratitude by joining the nation in two minutes silence. We will remember.

Reception

We put the child at the centre of the learning in Reception and we are always amazed at the new exciting pathways they lead us down. This week, we have been investigating maps. We have been making sense of our physical world and community. The children have all been chatting about their personal experiences such as their journey to school, previous holidays or trips into town. We have been fascinated by the children's vocabulary and curiosity for the world around them.

Year 1

We have been learning about weather symbols and forecasts in Year 1 this week. Through our topic of 'Weather', we've learned about how and why people forecast the weather. After watching a weather forecast on the BBC, we talked about the vocabulary used then applied key words and phrases to plan our own. With rehearsals complete, we presented our weather forecasts of the UK to our friends.

Year 2

Year 2 have been enjoying the sunny weather during PE. We have been looking forward to Sports Day and have been perfecting our skills. We are loving our new whistlers that we use for throwing.

Year 3

This week we have learned all about VE day and why it is so important to people who live in England. We also learnt why it is extra special this year. We can't believe it has been 80 years.

Year 4

This week we celebrated the 80th anniversary of VE Day! We took part in a two-minute silence and watched videos of what happened 80 years ago. We wrote poems and made commemorative posters to pay our respects.

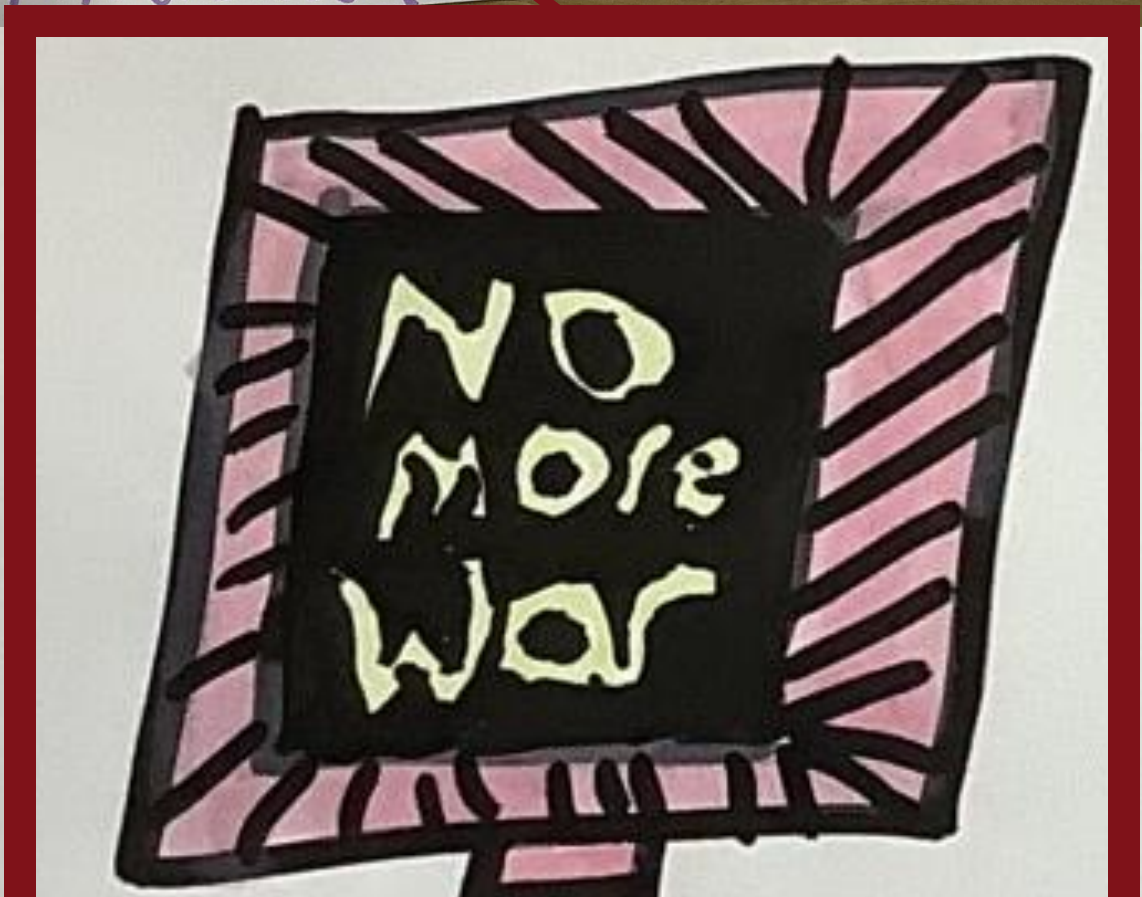

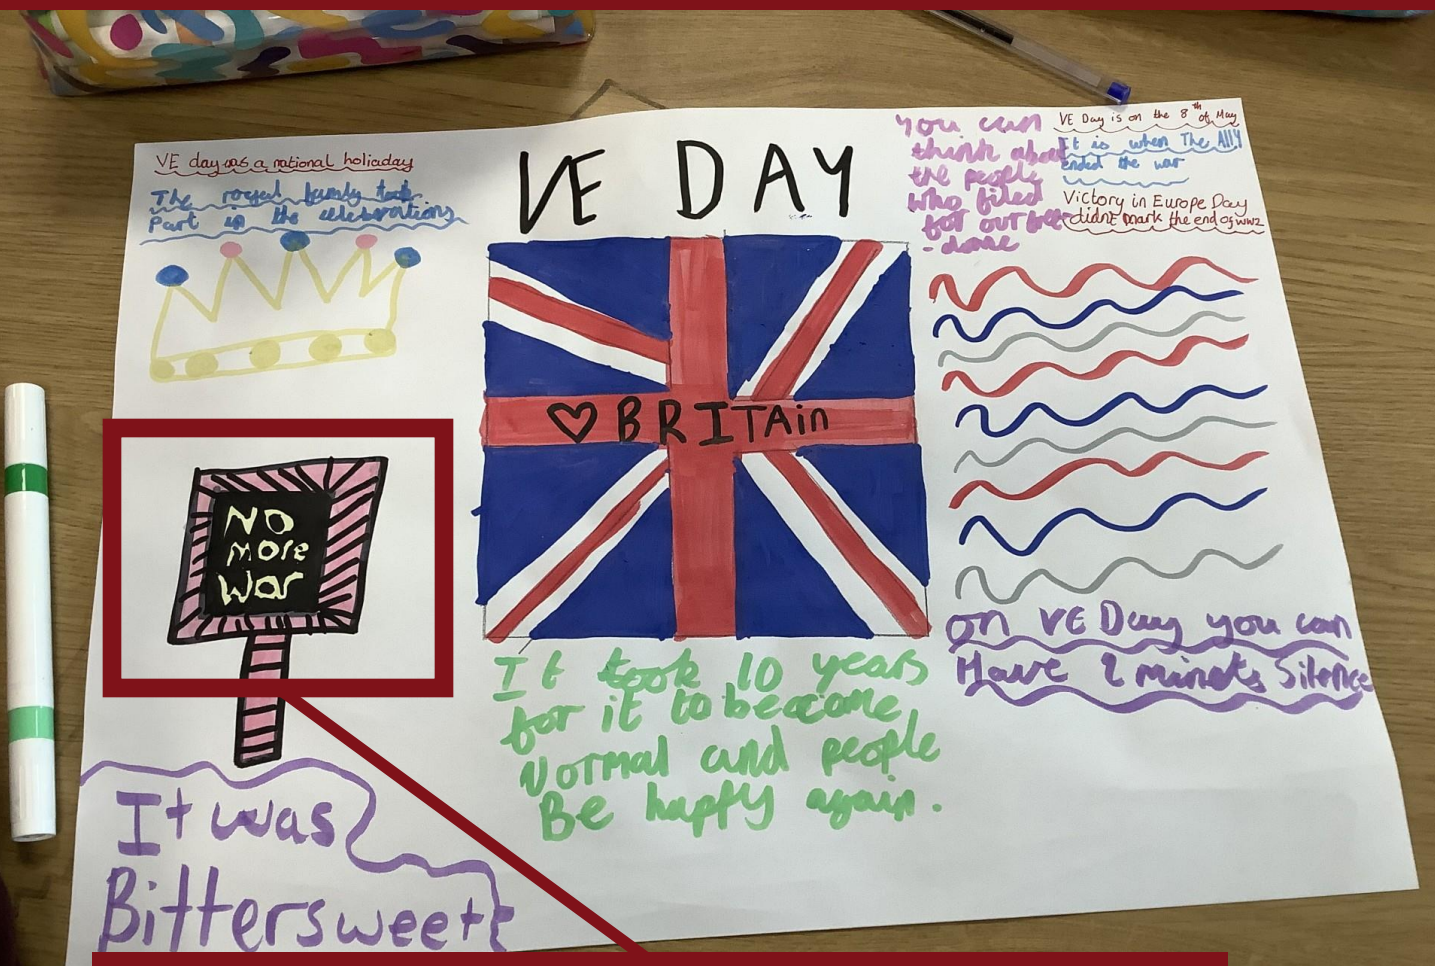

Our core values
Respect
Independence
Perseverance
Kindness
Teamwork

Year 5

This week, Year 5 discussed the significance of VE Day. They watched a video which focused on the events that led to the end of the war and the children created posters.

Year 6

The Year 6 Team would like to wish both classes the very best of luck in their SAT tests next week.

They have worked super hard and we are so proud of their progress.

We are looking forward to seeing you for a scrumptious breakfast of waffles, pancakes and bagels each morning to prepare you for the day.

See you at 8:15!

2025 KS2 SATs Exam Timetable

Tidiest Class

Y6 monitors inspect the school and identify the tidiest class. This is announced in Monday's assembly with the winning class getting a trophy to look after for the week. This week it has been Y4B Mrs Grieves and Miss Shepherdson's class again. Well done!
